### ***Notice of Non-Compliant Appeal Brief***

The Appeal Board is now returning Appeal Briefs that do not comply with 37 CFR 41.37(c), which became effective July 30 2003. The Second Substitute Appeal Brief filed on 3 May 2006 is non-compliant. Some examples:

**On page 2, Item (3) status of claims** is incorrect. Appellant is reminded that claims 117-120 were withdrawn from prosecution on 20 June 2005.

**On page 2, Item (5) Summary of Claimed Subject Matter** Line numbers cited for support must refer to the ***instant application, 08/650834***. Instead, the citations refer to application 08/268,309 (Appendix 11), which is not on appeal. Appellant is reminded that the instant application does not have more than 24 lines per page.

**On page 12**, Appellant argues that claims 116-122 are also allowable.

**On page 25**, Appellant cites WEBSTERS Lexicon Dictionary. Appellant is requested to provide a copy of the cited material for the Board's review.

**On page 53**, item (8), the Claims Appendix erroneously includes claims 117-120.

### ***Conclusion***

Appellant's assistance is requested in preparing an appeal brief to expedite processing; please review any Appeal Brief carefully, prior to submission.

A substitute brief that is in compliance with 37 CFR § 41.37(c) is required.

Since the above-mentioned Appeal Brief appears to be *bona fide*, Appellant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid
